

# MA in Leadership & MSc Information Technology Management

## About the Program

The Dual Track Master's program gives you twice the opportunity to build on your IT and leadership skills with the unique chance to graduate with TWU's MA in Leadership and Belhaven University's MSc in Information Technology Management. TWU (Canada) and Belhaven (USA), both accredited and respected North American Christian universities, have created a merged program on the beautiful TWU campus in British Columbia. Complete two master's degrees with fewer courses in as little as 20 months, and you'll spend 30% less than if you were to take the two master's degrees separately.

## Admission Requirements

- **3.0 GPA** based on final two years of undergraduate degree or exceptional admission
- **Four-year undergraduate degree**
- **Three to five years** of work experience
- **Two references**
- **Resumé or CV**
- **Admissions statement:** 500–800 words describing academic and personal goals, key experiences leading the desire for academic advancement, and reasons for pursuing this program at TWU.
